2014/15

The Equality Policy Unit and Leeds University Union have identified a selection of key holy days and festivals during which some staff and students may wish not to participate in University activities. Some festivals are linked to the lunar cycle and may be subject to change of date. Different traditions may use alternative dates from those shown here.

Further information (including guidance on responding to requests from staff and students for flexibility on grounds of religion or belief) is available from the Equality Policy Unit.
